

Colorectal Surgery

Daniel Galante, DO, MS, FACS
Board-Certified Colon and Rectal Surgeon

AdventHealthDHSI.com

Daniel Joseph Galante, DO, MS, FACS is a board-certified colon and rectal surgeon and Assistant Program Director for the AdventHealth Colon and Rectal Surgery Fellowship program. His areas of expertise include the use of minimally invasive technologies in colon and rectal cancer treatment, including TAMIS, robotic and laparoscopic surgery. He specializes in the surgical treatment of both Crohn's disease and ulcerative colitis, and treating all common anorectal diseases including hemorrhoids, fistulas and perianal abscesses. Dr. Galante also offers surgical treatment for pelvic floor disorders, including rectal prolapse, fecal incontinence and chronic constipation. Dr. Galante is an active member of the American Society of Colon and Rectal Surgeons and the American College of Surgeons. He has published multiple peer-reviewed articles, book chapters and presented at national and international conferences.
